

AUGUSTE

AUGUSTE is a French-Martiniquan DJ and producer known for infusing his Caribbean heritage into a vibrant, melodic afro-house sound. In just a few years, he's amassed millions of streams and earned support from global tastemakers like Diplo, Black Coffee, and platforms including Hi Ibiza, Tomorrowland, Ultra, Cercle Music, BBC Radio 1, and Spotify's New Music Friday. Following his acclaimed remix of Grammy-nominated artist Asake's hit "Basquiat," AUGUSTE continues to tour internationally. Recent highlights include performances alongside Francis Mercier at La Clairière in Paris and BPM Festival in Costa Rica. He has been releasing with Pias Records, Empire, Insomniac, and Calamar Records. His latest tracks include "What You Thinking Of" with Nico de Andrea and Mouglet, "Vuvuzela" featuring artist TIIMIE, "Lomo Lomo" with KiDi ft. Black Sherif and "Phenomena" with BNXX. Auguste is currently working towards his debut project with Empire Records.
