

Lost Miracle // All Day I Dream

ARTIST BIO

French rising talent **Raw Main** is a multifaceted artist, musician, DJ and sound designer. He is a groove maker, with numerous releases being widely praised on key labels such as **Lost Miracle, All Day I Dream, Abracadabra, A Tribe Called Kotori, Buddha Bar**, to name the most recent. His music combines ethnic and melodic sounds, together with his characteristic energy that creates a special atmosphere in every one of his sets.

Music included on key Spotify editorial playlists such as **Organica, Tulum Party, All Day I Dream Releases, and AfrikaBurn**.

Artist is supported by **Sebastien Leger, Blondish, Lee Burrige, Roy Rosenfeld, Bedouin** and various other artists.

In Early 2023, he released **his masterpiece EP on Lost Miracle: 'Citadelle'** which received an overwhelming response from his fans, and maintained itself in the Beatport Top 100 for almost 3 months!

October 2023 Raw Main did a **Top #1 Organic House - Beatport** with his release **"Ladybug E.P"**.

July 2024 Raw Main did an appearance on **All day I Dream** for the summer sampler 2024

July 2025 Raw Main release his new EP on Nhii's label Sounds of Khemit supported by many Dj's with 4 months on the top chart.
